

Beeses Riverside Bar Tea Gardens & Conham Ferry

Thank you for your enquiry.

Beeses is in a beautiful riverside location and offers a unique experience for couples who are looking for a more relaxed, less formal reception, where guests can mingle and thoroughly enjoy both the ambience and atmosphere of the venue, and that you want to create.

By far the best way to arrive is by boat. There are four boat companies and links to these can be found on our website: <http://www.beeses.co.uk/links.php>. We also have contact details for a good, reliable taxi company.

We charge a hire fee of between £150 and £300 (depending on size of party and space you require). The available space includes our marquee, a small garden area in front of the marquee, the decking area and one side of the tea rooms, giving a total capacity of 120. The fee also includes supply of white table cloths and the use of our PA system. The remainder of the premises remain open to the general public, but are also available for you to use e.g. for wedding photographs.

We offer a full catering service from buffets to BBQs and hog roasts. There is a selection of what we offer on our website at <http://www.beeses.co.uk/menu.php>; we are very flexible and would be happy to discuss any particular catering requirements you have based around your budget.

House wine starts at around £12 per bottle and includes a French red, rosé and white. If you wish to have an official toast we can supply champagne at £20 per bottle or we are happy for you to supply a limited number of your own at £8 corkage per bottle.

The PA system included within the hire fee can be used with an iPod or other MP3 player, laptop or record decks. We also have contact details for a range of live music options from popular to blues.

We hope this information is helpful. If you would like to discuss anything with us please do not hesitate to call to arrange a meeting.

Regards

Phil & Lindy
